RESTAURANT SAFETY

The proper mat can save you thousands on WSIB claims and replacement costs. Many mats are now available with a three year or more warranty and are available in grease-resistant and also grease proof versions. Let us help you choose the right mat for your application.

When emptying hot oil from deep fryers, workers need to be protected from splashes and burns. Serious injuries can be avoided if protective clothing is worn. It is the owner's responsibility to provide safety equipment and ensure it is used.

As per OH&S Act section 84.

The contents of first aid kits must be inspected a minimum of once every quarter by the employer. Refill kits are available to ensure 100% compliance and quick access to refill supplies.

As per WSIB regulation 1101.
