Custom Order Agreement Form: Logo and Special Orders

Please review your order confirmation and any proofs attached, and indicate if any changes are required.

If there are no required changes, simply sign and return this form by e-mail to Customer Service to authorize International Safety Systems Inc. to proceed with your order.

Terms and Conditions

1. Custom Orders are not returnable and as such are final sale.
2. Custom Orders have to be approved by customers, including: the product itself, quality, sizing, colour, quantity, logo, embroidery, etc. before proceeding with the order.
3. No further changes will be accepted after the order goes into production.

Customer Authorization to Proceed

I have read and agree to the terms and conditions specified above.

I have approved the product and the custom changes to be applied to the product. I understand this will be final sale, it cannot be returned, and the purchase order cannot be cancelled.
