Terms and Conditions

International Safety and Honeywell require that you ship your PosiChek³ in its original cardboard box. You must not ship the head or any components, parts, or accessories with your PosiChek base. If you do not have the original box and packaging foam, International Safety will accept your PosiChek³ as long as it is in a cardboard box. Please note that International Safety will re-package your PosiChek in the manufacturer-approved box and shipping foam and charge you a fee of \$50.00. Any units sent in a Pelican Case will be charged a \$12.00 handling fee.

PosiChek³ owners will have to make additional arrangements and incur additional fees to retrieve their Pelican Cases.

Yes, I will ship only my PosiChek³ base in an approved container. I accept all additional fees outlined above if I do not follow proper shipping instructions.
